

## **ADDITIONAL PRINT OPTIONS**

With multiple print options, there are solutions to meet any of your promotion needs.

**Cardstock** - Made from 100% recycled cardstock, these environmentally friendly cards are an excellent solution for green campaigns, but they are such high quality, they can be used for standard campaigns too.

**No-Tangle Card** - An excellent pairing for our music downloads, the No-Tangle Card, is a plastic diecut card that lets your recipients keep their earbud headphones easily organized for a tangle-free experience.

**Custom Shapes** - For a memorable campaign, your plastic card can be die cut into any shape. They're great for new logos, product launches, featured causes and campaigns.

## **WHY CHOOSE DIGITAL REWARDS?**

- Associate your brand with the modern online gifts that unique, custom branded Digital Reward Cards have to offer!
- Digital Reward Cards include popular gifts that have real value — from Music Downloads to Magazines, Movie Tickets to Digital Movie Rentals and more, these are products that consumers desire.
- An incentive that has the ability to reach multiple demographics, Digital Reward Cards have universal appeal and allow customers to select or customize their personal reward.
- Inexpensive to ship, store and distribute, Digital Reward Cards give your company the flexibility to scale any promotion. Their compact and lightweight size makes them one of the most practical and economical promotional gifts available.
